Dear Kristopher Nelson:

The San Diego County Sheriff's Department received a public records request from you on October 18, 2020.

You requested the following information from the Management Services Bureau:

Type of Record: **Electronic Records**

Description: **Formal or informal agreements, contracts, memorandums, proposals, requests, or similar documents or agreements involving vendors, suppliers, creators, developers, manufacturers, sellers, contractors, trainers, technicians, licensors, or similar providers of the "video integration and federation system," as described in San Diego County Sheriff's Department Procedures § 6.136. For the purposes of this request, this excludes documents that are related only to "video platforms" dedicated to specific kinds of cameras, like those that handle only body-worn cameras, unmanned aerial vehicles, Pan-Tilt-Zoom (PTZ) cameras, etc., unless those video platforms are also used to "integrate" or "federate" multiple video platforms into one "system," as described in San Diego County Sheriff's Department Procedures § 6.136.**

Your request was received and given the reference number S000294-101820 for tracking purposes. You will receive a response to your request on or before October 29, 2020.

Sincerely,

*San Diego County Sheriff's Department*
