Dear Kristopher Nelson:

The San Diego County Sheriff's Department received a public records request from you on October 18, 2020.

You requested the following information from the Law Enforcement Services Bureau:

Category of Record: **Other**

Description: **Any studies or citations to studies or summaries of studies or similar supporting, research, statistical, or evidentiary documents consulted or relied on to make any of the following statements in support of the Safe San Diego-Lemon Grove project in a September 1, 2020 "city council staff report" in which Sheriff's Lieutenant Mike Rand is listed as the "staff contact": 1. "Numerous studies have shown that deterrence is the best way to impact loss due to theft." 2. "One way of deterring theft is by utilizing highly visible camera systems that also provide high-quality images." 3. "When a theft is caught on video, and the suspect is identified through good quality video images, prosecution of the crime is more effective and more likely."**

Your request was received and given the reference number S000300-101820 for tracking purposes. You will receive a response to your request on or before October 29, 2020.

Sincerely,

*San Diego County Sheriff's Department*
